PROJECTS & PARTNERSHIPS

Java Jam — *Founder & Executive Director*

Non-profit community event that boasts a free function for the community and it is one night filled with food, live music, and relationship building. During this night we run a full kitchen, invite vendors, coordinate live musical performances, and operate a silent auction. We have used a portion of the event to raffle off donations that companies have provided to us as well as a silent auction portion where the proceeds go towards local endeavors our youth personally volunteer at such as Hurricane Harvey projects, anti-sex trafficking, and international humanitarian aid. We have generated over \$120,000 in donations to give back to the community.

Youth Pastors Network — *Houston Chinese Churches & Fort Bend Student Pastors; Founding Member*

A community of pastors from around the city that meet monthly to discuss ideas, strategies, and partnerships in youth ministry. We have collaborating since 2008.

LA Ranch Ministries — *Partner & Sponsor*

Organize teams to go to Costa Rica for church planting, planning vision trip, and local training. International Humanitarian Aid working with schools, churches, and the community in the slums. Organized 70+ participants. (March 2017; 2018)

Fort Bend Independent School District — *Community Advisor*

Community Advisor to the board of community directors for Fort Bend ISD. The purpose is to provide feedback and collaborative research in student education, family counseling, and community relationship building.
