

CHINESE BAPTIST CHURCH NEXT GEN TRAINING AND CHILD ABUSE PREVENTION

Our mission at Chinese Baptist Church is to connect ourselves with the Lord and his mission. We want to provide as many resources to our people and our community as possible in order that they may love the Lord with all their heart, soul, and mind. As an organization, we want to make sure that we honor the Lord in providing the very best to our people and those we serve. This training is more than just training, it is considered ministry for us. Why we serve is as important as how we serve.

There are 2 parts to our training: 1) Next Gen Training which covers how to minister to our children and youth. It will cover the policies and procedures of CBC. 2) Child Abuse Prevention and Background Check. We see this as extremely important for the safety of our children and youth as well as our community.

The Child Abuse Awareness video training at no cost to you. When you have completed the video training, start the 25 question quiz by clicking the button at the end of the last video.

PART 3: FINAL STEPS

When you have successfully completed parts 1 and 2, you will receive a final email confirming your participation and completion of our training and background checks. At that moment you are approved to serve with our children and youth department. Please see the supervising leader of that ministry for directions on how to serve.
