

## Job Summary – Youth Ministry Assistant

Youth Ministry Assistant is a Part/Full-time position responsible for guiding students (and their families) in Gospel ministry and sanctification. Core commitments include discipleship, serving, missions, and teaching. Practical tasks include organizing youth events or retreats to encourage community building, help teach Sunday school and other educational programs, and intentional discipleship with students.

The benefits of this position are many. While the YM Assistants can develop and train in an immediate ministry context, they are coached and mentored directly by the Youth Pastor in ministry development, theology, and practical leadership. In addition, the YM Assistant is positioned to mature in their skills and ability as a member of the youth leadership team. They are given access to the tools and resources provided by and established by the existing Youth Ministry structure at Chinese Baptist Church (which includes local, national, and international youth ministry networks, conferences, and trainings).

### Biblical Requirements:

- A continued personal and faithful relationship with Jesus Christ.
- Conducts themselves in a manner that is above reproach on and off campus.
- A growing desire to shepherd and disciple students & their families.
- A humble and teachable spirit
- A continued submission to God's holy call to put to death sinful tendencies

### Vocational Requirements:

- A desire to be trained in ministry. While a Bachelor's Degree is preferable, we would encourage applicants to begin or continue in their ministry education and development.
- Ability to communicate and collaborate with other staff, members, and leaders.
- Commitment and punctuality to the standard of ministry given.

### Direct Report:

- Pastor of Youth

Trajectory: For those YM Assistants who continue to serve and develop faithfully, these paths may be possible after seasons of training and development.

- Trained and developed for Youth Minister or Youth Pastor
- Trained and developed for Associate Pastor
- Trained and developed for parachurch ministry
- Trained and developed for Christian teaching & counseling
