Discussion Questions:

1. What does it mean that God created humanity in his image and likeness?
2. What is the difference between the prevalent worldview of naturalistic scientism and the Biblical worldview on the origin of human life?
3. What are some of the injustices in our world today towards the people groups based on race, color, religion, economic status, and mental capabilities?
4. In what ways God's affection for you as a human is different from His care for other parts of the created world?
5. Why is the doctrine of Christ's sacrificial death on the cross for the sinful world is so crucial in understanding God's value on human life?
6. How can you help someone this week to realize that God has a purpose for them, though the society may consider them useless and worthless?
7. Write one statement about how your worldview changed today as a result of understanding God's revelation on the value of all human life

APPLY THE TRUTHS

- Believers are to treat all people with dignity and respect, including the most innocent and defenseless human beings, the unborn children
- Believers are to love all people with pure intentions
- Believers are to exhibit God's character in this world
- Pray for the reconciliation through the Cross and for the change of hearts towards the end of devaluing human life
- Pray for Biblical justice to be done amidst the violence of taking any innocent and powerless human lives, for those in authorities to have courage to do the right thing
- Support and volunteer at: Crisis Pregnancy Centers, Adoption Foster Orphans Care of First Baptist Houston, Elijah Rising, Free the Captives, Gracewood, Fort Bend Women's Center,
