

The Story of John 3:16
John 3:1-21 (current NASB version, not year 1995 edition)

Reflection Questions:

1. The Main question that the Story of John 3-16 addresses is: "That which has been born of the flesh is flesh, and that which has been born of the Spirit is spirit"(v6) - what is Jesus trying to teach us?
2. How does the reference to Numbers 21 help us understand John 3-16?
3. What is the fundamental misunderstanding Nicodemus had with the practice of Old Testament Disciplines? How does this correlate to our modern-day application of spiritual disciplines?
