

Praise with a Purpose
Psalm 111 (ESV)

Discussion Questions:

1. What areas of my personal walk with Christ have I been purposefully passing on to others?
2. What of God do I find most admirable and praiseworthy?
3. What areas of my life am I holding back praise from the LORD? (e.g. an old wound, disappointment, or a personal achievement?)
4. Would I characterize my praise of the LORD as reactive or proactive and why?
5. In the past year what 1 or 2 new things have you learned about God?
