Philippians 3:20

1. How does vs 12-16 set the stage for our current passage?

2. Why does Paul ask other Christians to imitate him?

3. How does Paul feel about those who are enemies of Christ?  
What does this mean for the Church today?

4. Why do people “walk as enemies of Christ?”

5. What’s the hope found in vs 20?

6. How should this verse change CBC?

**Main Idea:** We join those in the community of faith whose goal is to know Christ and pursue him passionately, knowing soon we will experience the joy and power of the fullness of Christ.
