I. All Government is established by God

II. How should a Christian vote?

Conclusion:

Discussion Questions:

1. Since all governments are established by God, are we supposed to obey all the laws of the Land?? (Romans 13:1-7). What about if the law of the Land is against God's Word??

2. Are you a good & law-abiding citizen? Do you break the laws sometimes, like speeding on the highway? Or do you cheat (perhaps a little) on your income tax???

3. Are the biblical principles mentioned in the sermon today important issues to you personally for casting votes? Which one is the most important to you?? Which one is the least important to you??

4. Do you agree that as a citizen, you should cast your vote? \What about if both candidates are not your choice---would you consider the phrase--lesser of an evil???
