CORE VALUES

CBC YOUTH MINISTRY

DEPTH

our first core values begins with issue of the heart. For us, we don't want to just know about Jesus and the Gospel...we constantly want more and more. We are not satisfied with shallow Christianity but always want more and more DEPTH

COMMUNITY

as a Christian, we believe that at the moment of salvation, you are adopted into the Christian community. our core value is that we see each other as fellow sinners saved by grace on the road towards Christian maturity. Because of this truth, it is a much more greater understanding of gospel-centered COMMUNITY

DISCIPLESHIP

we recognize that our Christian journey is a process. There will be good and difficult seasons and while we walk through this in a gospel-centered community, we also need others to teach us, correct us, and guide us. Furthermore, we are responsible for teaching, correcting, and guiding others around us as well. As others are leading us towards Jesus and as we lead others towards Jesus, we are living out the core value of DISCIPLESHIP.

PRAYER

at the end of the day, no matter how good we disciple you, no matter how awesome you think we are, no matter if we are the most fun youth group ever...we know we know we cannot change the human heart. And so we beg and plead the Lord to do what we can never do. But this core value is more than just praying it is a lifestyle of prayer.

SERVICE

we believe God has given us our time, talents, resources, and money not only to bless us but to bless the world and to push back darkness. We uphold this core value in order to keep a loose grip on the gifts that God has given us so that we can bless others, our church, and our world in the act of SERVICE

MISSIONS

we believe God has given us our time, talents, resources, and money not only to bless us but to bless the world and to push back darkness. We uphold this core value in order to keep a loose grip on the gifts that God has given us so that we can bless others, our church, and our world in the act of SERVICE

TRUTH

our core value of truth points to a few things: 1) that we believe that the ultimate source of truth has been already revealed to us in the pages of the Bible. It only stands as our authority over and against opinions, feelings, and other worldviews. 2) we are to constantly grow in loving the Lord with all of our mind (Mt.22:37) and so we constantly want to learn the Scriptures, theology, doctrine, Church History, etc. 3) We believe all TRUTH points back to the person of Jesus Christ as it reveals God's goodness, our need and salvation, his salvation, and how he wants us to follow Him.

Where we're headed

LONG-TERM VISION

CBC YOUTH MINISTRY // 10 YEAR

EQUIP DISCIPLES TO MAKE DISCIPLES

As our members are faithfully living out their call as representatives of Christ, they are actively and faithfully sharing the Gospel in faith that some will come to a saving knowledge of Jesus. Furthermore, our members are discipling those in the youth group to become mature believers.

SEND OUT DISCIPLES THAT ARE EQUIPPED TO PLANT, REVITALIZE, AND TRANSFORM.

One of the "dreams" of our youth group (which we call our "golden unicorn") is that our students are trained, equipped, and mature when they are considering colleges to attend senior year of high school, they are processing which college campus around the world needs a Christian presence and they partner up with other gospel-centered, committed Christians and apply to that college campus in order to start a campus ministry their first year of college while studying and training in their own respective majors.

PROVIDE EXCELLENT RESOURCES

for all youth ministries around the world. As we continue to grow, learn, and mature as a youth group, we always want to be able to train and provide other youth ministries around the world with everything we have. We want our students to study and learn so that they can write and provide bible studies, devotionals, and training material for youth groups everywhere. We want our youth leaders and youth parents to be able to provide other leaders and parents with excellent resources so that they are able to equip the saints in their own contexts.

Rhythms of the Year

JANUARY & AUGUST
(Reboot): To start the spring semester we're going to recalibrate after a long break. Use this month to reconnect with your students. Get them to look ahead for the semester. Revisit goals and plans.
FEBRUARY-MAY
(Missions/Evangelism): This block in our calendar is going to be dedicated to acting on the Gospel. Building off of the Fall's series of "Foundations" the spring is going to put our understanding into work.
MARCH
(Shalom): We're doing to dedicate this month to researching and partnering with local and global organizations to push back the darkness. So we want to get each DG to find their own organization, research about it, and find ways to get involved.
JUNE-JULY
(Development): We're going to use our two prime months in the summer to work on social and developmental skills with our youth. Of course come from a biblical understanding of it but we want to use this time to hit on topics like "cooking, auto-mechanics, repairs, budgeting, etc."
SEPTEMBER-DECEMBER
(Foundations): This block of time will be to teach our students the foundations of scripture and basics of doctrine and theology.

≡ PARENTS EXPECTATIONS

Commit to disciple your youth this year in the gospel with all the grace God will provide. Commit to be active in the growth and spiritual life of your student.

Work with the youth ministry (Pastor, DG leaders, college sponsors, and leadership) in order to disciple your student. Communicate openly and regularly with the youth ministry leaders.

Encourage your student to balance academics, extracurricular, social engagement, family, and church life while prioritizing their spiritual health as foundational and critical.

Attend worship service with your students. Attend youth parents meetings & trainings

JUSTIN WONG

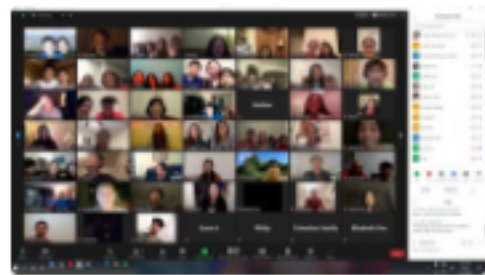

Grew up at Chinese Baptist Church where my father, James Wong, served as senior pastor. Learned to love the Church and her people throughout the years and my heart grew to love working with students, student leaders, and parents of students. I believe that the teenage years are the most crucial developmentally, sociologically, emotionally, and spiritually. If this is true, I must be the best equipped youth pastors I can be and I must have the best group of leaders surrounding me in order to work at loving and discipling these students.

Attended Houston Baptist University and received a Bachelors of Science in Biology and Bachelors of Arts in Theology. Attending Southwestern Baptist Theological Seminary and received a Masters of Divinity and a Doctor of Ministry. Currently studying at Midwestern Baptist Theological Seminary and completing a Masters of Theology and Doctor of Education.

≡ Virtual Ministry from home can be difficult, but it's definitely achievable.

Remote learning helps reinforce lifelong skills, such as time and energy management, independence, and creative thinking.
